

Commander Smart SIP

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT THE SERVICE

MINIMUM CONTRACT TERM

24 Month

SERVICE DESCRIPTION

Commander Smart SIP plans provide your business with an nbn^a-ready phone service delivered via your Internet connection, sometimes referred to as Internet or IP telephony. Smart SIP (PRI) is designed to carry voice calls from your ISDN enabled Phone system. These plans are not available for resale or high volume telemarketing purposes.

KEY DETAILS

Your Commander Smart SIP service allows you to make and receive phone calls. Your Monthly Access Fee includes Line Rental and Commander to Commander calls*. The table below specifies other call types that are included specific to your Smart SIP plan. Call types not listed, optional Value Added Services and any equipment required to operate your service are charged in addition to your Monthly Access Fee.

If you use this service in conjunction with the Business Gateway hardware and a Commander Internet service on the same account, our Business Continuity feature is enabled free of charge. Business Continuity enables you to make and receive calls over the mobile network, in the event of a service interruption or network outage on your primary Commander Internet service. For more information: commander.com.au/phone/business-continuity
A Commander Smart SIP service may not be appropriate if you require an uninterrupted phone service with access to 000

emergency services. The service will not function in the event of a power failure. Priority Assistance is not available on this service.

MINIMUM TOTAL COST

\$1,200.00

STANDARD INSTALLATION REQUIREMENTS

An Internet service with a minimum of 100/100 Kbps per concurrent call is required for a Commander Smart SIP service. You can utilise an existing internet connection or request a new one from Commander. Applicable internet rates apply.

To use a Commander Smart SIP service, you will need a high-speed internet service (broadband), a SIP capable modem/router and a SIP-enabled PBX or ISDN enabled PBX with a Commander Voice Gateway (PRI). These can all be sourced additionally from Commander if required; please speak to your Commander representative for more information.

BUNDLING ARRANGEMENTS

Bundle your Commander Smart SIP plan with Commander Electricity and you can receive 20% off the Commander Smart SIP monthly access fee when you pay on time. Electricity offer available to certain areas and selected meter configurations in NSW, VIC and SA only. Telco discount only applies from the first bill after your premises has been connected with Commander Electricity which may be up to 90 days after the sale. Not available with any other offer. Discount is discontinued if electricity is canceled or transferred from Commander.
