

Business Connect (1 month)

Critical Information Summary

Service & Price Information

Service Description

Business Connect is a cloud-based unified communication solution that delivers voice, video, and chat via an Internet connection, without the need for onsite servers or hardware. Features include call controls, meetings, file sharing, and real-time collaboration through BroadSoft, Webex and MS Teams integration.

A Business Connect service is referred to as a 'seat'. A minimum of 3 seats and 2 lines per account is required to satisfy eligibility for a Business Connect solution.

Minimum Contract Term

1 month.

Pricing

Queues (Incl. Basic, Standard & Premium) ⁵	Unlimited

1. Minimum requirement can be a mix of different Seat types. 2. Minimum costs are calculated as the monthly access fees of 3 Seats & 2 Lines multiplied by the minimum contract term & may vary depending on the mix of seat types & number of seats/lines purchased. Excludes discounts & hardware costs. 3. Standard Local & National Calls are calls generated whilst in Australia to numbers within Australia (unless stated otherwise). Charges apply for calls to 13/1300 numbers & international calls. 4. 13/1300 calls are charged per call & include SecuriDial 8 digit 13 calls. For all other charges, see our Schedule of Fees & Charges [commander.com.au/sofac](#). 5. Dependant on seat type.

Discounts

Not applicable.

Hardware

You can use the service with a headset via our Commander with Webex softphone app on your Mac/PC desktop or directly on your tablet or mobile phone, without paying anything extra. If preferred, you can also use the service with 'office phone' handsets.

Commander provides a range of handsets and other hardware that can be purchased separately via various payment options, including outright, monthly repayments or third-party finance. Contact us on **132 777** for more information.

Other Information

Service Availability

Services may not be available to all areas, premises, or customers. If we are unable to connect all your requested services, we'll attempt to contact you to discuss further options first or, if we can't contact you after making reasonable attempts, we will cancel your order.

You must inform us if the service is intended to be used in conjunction with a disability or medical service, back to base alarm or is intended to carry data services such as Fax, EFTPOS or HiCaps. These services may not be supported or may require an alternative service or additional equipment.

Calls to some International destinations are blocked by default due to high risk of fraud. You may arrange with Commander to unblock these destinations, upon accepting full responsibility for payment for any calls your service makes to these destinations.

If you use this service in conjunction with a Commander Business Modem and Internet service on the same account, our 4G Backup feature is enabled free of charge. 4G Backup enables you to make and receive calls over the mobile network, in the event of a service interruption or network outage on your primary Commander Internet service. See commander.com.au/phone/business-continuity.

In the event of a power outage, your Business Connect services will not work unless you maintain a back-up battery solution.

Hardware Installation Requirements

If you have purchased Commander equipment to use with your Business Connect services, installation by an authorised technician is required and can be organised as part of your order for an additional charge.

You are responsible for any additional charges for work that may be identified during hardware installation and is required to allow the services to work. These charges may include cabling, network configuration, routers and/or switches etc. within your network.

Plan Changes

You may change a user's service to a lower or higher plan within the Business Connect plan family at any time during your minimum contract term, without penalty fees.

Usage Information

For information about current usage levels, log in to "My Account" at takecommand.com.au.

Payment Options

Payment by Direct Debit from a bank account does not incur additional fees or charges. Additional charges apply for other payment methods. For details, see your invoice and our Schedule of Fees & Charges on our website commander.com.au/customer-terms, or contact us at 132 777.

Contact Details

We are dedicated to excellence in servicing our customers and have lots of ways for you to keep in touch:

- Online at commander.com.au/contact-us
- Email us at customerservice@commander.com
- Call us on 132 777 (Check our website for opening hours).

Complaint Handling

If, for some reason, you are not satisfied with the service we provide, please let us know so we can do our best to fix it. If you feel that we were unable to resolve your issue to your satisfaction, please visit: commander.com.au/legal/complaints-complaints.

If you are still not satisfied with the steps taken by Commander to resolve your issue, you can seek assistance from the Telecommunications Industry Ombudsman (TIO).

The TIO will only investigate complaints if you have already attempted to resolve your issue with Commander, and is an option of last resort. Contact the TIO by visiting tio.com.au or by calling 1800 062 058.

Full Terms

Commander's Standard Form of Agreement & Acceptable Use Policy set out the terms & conditions on which we provide our products & services. See commander.com.au/legal/customer-terms for full terms.

Online Safety

The eSafety Commissioner provides a range of educational material about staying safe online: esafety.gov.au/

A range of certified Family Friendly Filters can be found on the Communications Alliance website:

commsalliance.com.au/Activities/ispi/fff

Thank You for Choosing Commander for Your Business Communications.
