

# Commander Key Phone Essentials

## CRITICAL INFORMATION SUMMARY INFORMATION ABOUT THE SERVICE

### SERVICE DESCRIPTION

Commander Key Phone plans provide your business with an nbn™ ready phone service delivered over your broadband internet service, also known as internet telephony.

### HARDWARE

You will be supplied with a IP handset which remains property of Commander. If you cancel your service hardware must be returned within 30 days otherwise fees apply. If you wish to purchase the handset outright after 24 months a charge of \$50 will apply. An internet connection and supporting connectivity hardware is required to use this service. You may use your own modem or a Business Gateway can be purchased separately.

### BUNDLING ARRANGEMENTS

Bundle your Commander Key Phone plan with Commander Electricity and you can receive 20% off the Commander Key Phone monthly access fee when you pay on time. Electricity offer available to certain areas and selected meter configurations in NSW, VIC and SA only. Telco discount only applies from the first bill after your premises has been connected with Commander Electricity which may be up to 90 days after the sale. Not available with any other offer. Discount is discontinued if electricity is canceled or transferred from Commander.

### MINIMUM CONTRACT TERM

1 Month

### MINIMUM TOTAL COST

\$715.80 which includes a \$129 setup fee and \$9.95 shipping and handling fees.

### STANDARD INSTALLATION REQUIREMENTS

An internet service with minimum 100/100 Kbps per concurrent call is required (not included) . Use your existing internet connection or purchase from Commander.

Self-install (including any associated cabling, configuration of your network and any routers and/or switches) or Valet Install is available (may cost extra), contact us for more information.

### KEY DETAILS

Your Commander Key Phone service allows you to make and receive phone calls.

Your Monthly Access Fee includes an IP enabled handset rental, standard local and national calls and Commander to Commander calls on the same account. 13/1300, mobiles and other non standard calls, optional Value Added Services and any other equipment or services required to operate your service are charged in addition to your Monthly Access Fee.

If you use this service in conjunction with the Business Gateway hardware and a Commander Internet service on the same account, our Business Continuity feature is enabled free of charge.

Business Continuity enables you to make and receive calls over the mobile network, in the event of a service interruption or network outage on your primary Commander Internet service.

For more information: [commander.com.au/phone/businesscontinuity](http://commander.com.au/phone/businesscontinuity)  
A Commander Key Phone service may not be appropriate if you require an uninterrupted phone service with access to 000 emergency services. The service will not function in the event of a power failure. Priority Assistance is not available on this service.
