

Smart SIP Max Plus

CRITICAL INFORMATION SUMMARY INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

Commander Smart SIP Max Plus plans provide your business with an nbn-ready phone service delivered via your Internet connection, sometimes referred to as Internet or IP telephony. Smart SIP Max Plus is designed to carry voice calls from your ISDN enabled Phone system.

Some ISDN PRI features are not compatible with Smart SIP Plus including 64k clear channel (data calls), user-to-user messaging or any other D channel application. These plans are not available for resale or high volume telemarketing purposes.

KEY DETAILS

Your Commander Smart SIP Max Plus service allows you to make and receive phone calls. Your Monthly Access Fee includes line rental and free internal calls. The Information About Pricing section specifies other call types that are included in your Smart SIP plan. Call types not listed, optional Value Added Services and any equipment required to operate your service are charged in addition to your Monthly Access Fee.

This service may not be appropriate if you require an uninterrupted phone service with access to 000 emergency services. The service will not function in the event of a power failure. Priority Assistance is not available on this service.

STANDARD INSTALLATION REQUIREMENTS

An Internet service with a minimum of 100/100 Kbps per concurrent call is required for a Commander Smart SIP Max Plus service. You can utilise an existing Internet connection or request a new one from Commander. Applicable Internet rates apply.

To use a Commander Smart SIP Max Plus service, you will need a high-speed Internet service (broadband), a SIP capable

modem/router and an ISDN enabled PBX with a Commander Voice Gateway (PRI). These can all be sourced additionally from Commander if required; please speak to your Commander representative for more information.

HARDWARE

A Voice Gateway for Smart SIP Max Plus must be purchased, which is available as an outright purchase or per month over 24 months plus a 19.95 P&H fee. The Voice Gateway is pre-configured and customer self-installed.
