

SMART VOICE

MID

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

Smart Voice plans are offered as an Office Phone service that allows you to make and receive voice calls over the NBN or other fibre connections. Smart Voice is only available in areas that can be connected to Commander via the NBN or equivalent fibre provider. Commander cannot guarantee a service is available until installed at your premises.

You can transfer your existing Office Phone service or activate a new service with Commander. Some phone features may not be compatible with a phone service delivered via the NBN including 3-way call and call transfer. Smart Voice plans are not available for resale or high volume telemarketing purposes.

BUNDLING ARRANGEMENTS

By bundling your Smart Voice plan with other Commander products you may be eligible for bonus offers or bundling discounts. Bundling offers and discounts may not always be included in this summary.

NBN BROADBAND BUNDLE - By bundling any eligible Smart Voice plan with Commander NBN Broadband at the same physical site you can receive \$30 off Commander NBN Broadband access fee.

POWER BUNDLE - By bundling your Smart Voice plan with Commander Electricity and paying both bills on-time you can receive 20% off the Smart Voice monthly access fee. Electricity offer available to certain areas and selected meter configurations in NSW, VIC and SA only. Telco discount only applies from the first bill after your premises has

been connected with Commander Electricity which may be up to 90 days after the sale. Not available with any other offer. Discount is discontinued if electricity is cancelled or transferred from Commander.

MINIMUM CONTRACT TERM

24 months

KEY DETAILS

Your Smart Voice - Mid Monthly Access Fee includes Line Rental, Standard Local and National Calls and Commander to Commander calls*. Other calls, optional Value Added Services and any equipment or other services required are charged in addition to your Monthly Access Fee.

Smart Voice may not be appropriate if you require an uninterrupted phone service with access to 000 emergency services. The service will not function in the event of a power failure unless provided over the voice port (UNI-V) of the NBN connection box with an operational thirdparty supplied battery back-up unit. It is your responsibility to maintain the battery and ensure that it is working correctly. Priority Assistance is not available on this service.

You must inform us if the service is intended to be used in conjunction with a disability or medical service, back to base alarm or is intended to carry data services such as Fax, EFTPOS or HiCaps. These services may not be supported or may require an alternative service or additional equipment.

Calls to some International destinations are blocked by default due to high risk of fraud. You may arrange with Commander to unblock these destinations upon accepting full responsibility for payment for any calls from your service to these destinations.
