3. **Enhanced -12 Service Levels : Overview**

The Enhanced -12 Service Levels consist of commitments relating to SLA Faults. The Enhanced -12 Service Levels are only available where the Access Network that is used to provide your Business Fibre Service is part of the NBN. You acknowledge and agree that we are responsible to you for the rectification of any SLA Faults and you will not contact NBN Co or its contractors regarding any SLA Faults or Service Difficulties unless expressed authorised by us.

4. **Commencement of Enhanced -12 Service Levels**

- (a) Where you select the Enhanced -12 Service Levels in your Application, and we agree to provide the Enhanced -12 Service Levels, the Enhanced -12 Service Levels will apply from when your Service is activated.
- (b) If you apply for the Enhanced -12 Service Levels after the commencement of the Contract, and we agree to provide the Enhanced -12 Service Levels, we will use reasonable endeavours to activate the Enhanced -12 Service Levels within two Business Days after the date that we agree to provide the Enhanced -12 Service Levels.

5. **Service Difficulty and SLA Fault notification procedure**

- (a) You should report any Service Difficulties to us by contacting 132 777.
- (b) We will investigate the Service Difficulty and attempt to diagnose the cause of the Service Difficulty. This may involve you undertaking troubleshooting activities before the Fault can be logged.
- (c) If we determine that the cause of the Service Difficulty may be an SLA Fault we will report the suspected SLA Fault to NBN Co.

6. **SLA Fault Rectification Service Levels**

Row	Type SLA Fault	Service Level - Enhanced - 12
1	SLA Fault that can be rectified without external or internal plant work or a technician attending the Premises or where the SLA Fault is caused by NBN	Within 12 Coverage Hours after the Deemed Commencement Time

	Co disconnecting the Underlying Service as a result of an administrative error that does not involve damage to a facility	
2	SLA Fault in respect of a Premises in an Urban Area (that is not an SLA Fault described in row 1)	Within 12 Coverage Hours after the Deemed Commencement Time
3	SLA Fault in respect of a Premises in a Rural Area (that is not an SLA Fault described in row 1)	Within 12 Coverage Hours plus 1 day after the Deemed Commencement Time
4	SLA Fault in respect of a Premises in a Remote Area (that is not an SLA Fault described in row 1)	Within 12 Coverage Hours plus 2 days after the Deemed Commencement Time

- (a) The table above sets out the Committed Timeframes for the rectification of SLA Faults.
- (b) For the purposes of determining whether an SLA Fault has been rectified within the relevant Committed Timeframe:
- (i) the measurement of performance will commence at the Deemed Commencement Time using the local time at the location of the Premises; and
 - (ii) the measurement of performance will end at the time at which:
 - (A) NBN Co has informed us that the SLA Fault has been successfully rectified; and
 - (B) we notify you (by telephone, by email or by such other means as may be notified by us from time to time) that the SLA Fault has been successfully rectified; and
 - (iii) the only hours which will be included in the measurement of performance will be the Coverage Hours.
- (c) By way of example only:
- (i) if the Deemed Commencement Time is 6:00pm and the Premises is in an Urban Area, the relevant Committed Timeframe will expire by 4:00pm on the following day, with the Committed Timeframe consisting of:
 - (A) three Coverage Hours on the day that the report is received (i.e. (6:00pm to 9:00pm)); and
 - (B) nine Coverage Hours on the following day (i.e. 7:00am to 4:00pm).

7. Service Level Rebates

- (a) If an SLA Fault is not rectified within the applicable Committed Timeframe, the following Service Level Rebates will apply:
- for the first Fault in relation to which the Service Level is not met in a Billing Period, the entire cost of the Enhanced-12 Service (ie. the additional Charge the Customer pays to receive the Enhanced – 12 SLA).
 - for each subsequent Fault in relation to which the Service Level is not met in that same Billing Period, the entire monthly recurring charge (minimum monthly charge) for that affected Service.
- The maximum rebate which Commander will pay in a Billing Period is the aggregate of:
- the additional Charge the Customer pays to receive the Enhanced – 12 SLA; and
 - the entire monthly recurring charge (minimum monthly charge) for that affected Service.
- (b) You acknowledge and agree that:
- (i) subject to clause 7(c), and to the maximum extent permitted by law, your sole and exclusive remedy (whether in contract, tort, breach of statutory duty or otherwise) in respect of any Loss arising due to any act or omission that results in a breach of this Service Level Agreement by us is the payment by us of a Service Level Rebate where applicable in accordance with the terms of this Service Level Agreement;
 - (ii) we have no liability to pay any Service Level Rebates in respect of a failure to rectify any SLA Faults that you do not report to us in accordance with clause 5;
 - (iii) the Committed Timeframes and Service Level Rebates do not apply where, after investigation, NBN Co determines that there was no SLA Fault; and
 - (iv) no Service Level Rebates apply where the cause of the SLA Fault or failure to rectify it within the Committed Timeframes is a Force Majeure Event.
- (c) Nothing in this Service Level Agreement amends, limits or negates your rights (where applicable) under:
- (i) clauses 34 to 37 of the General Terms (Statutory Guarantees);
 - (ii) clause 38 of the General Terms (Personal injury or death); and
 - (iii) the CSG.

8. Status updates

We will provide you with an update of the status of the SLA Fault as soon as reasonably practicable after the Commencement Time and will continue to keep you updated about the progress of the rectification of an SLA Fault until the SLA Fault has been rectified.

9. **Charges**

Charges for the Enhanced 12 – SLA are included in your Plan.
